QUALITY

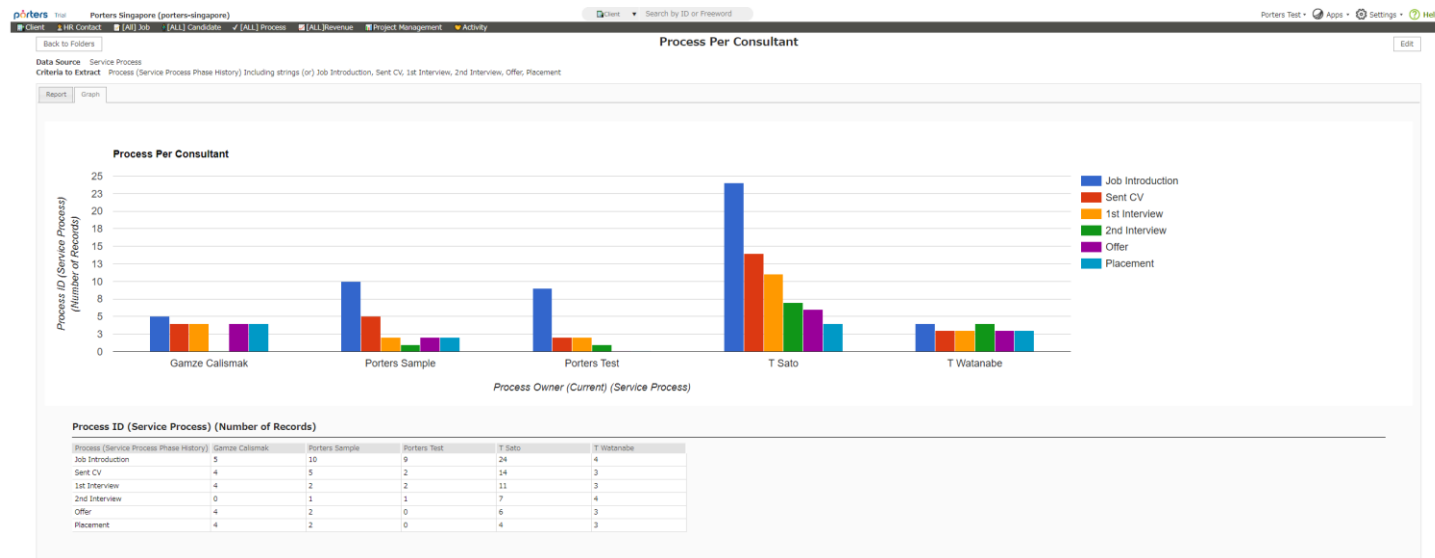

Satisfactory services, higher repeat contracts

A Glimpse of PORTERS Solutions

- Easily visualize company performance

- ALL Data is Secured

Manage contract status, monitor demand and supply

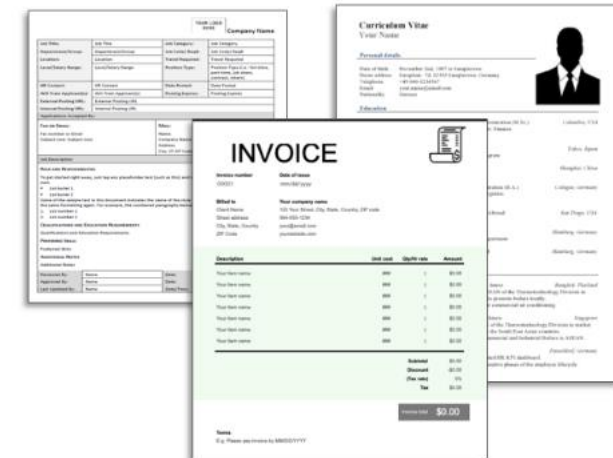

A Glimpse of PORTERS Solutions

- System matching with high accuracy

The screenshot displays the 'Maid staff List Search Criteria' window. On the left, there are sections for 'Shared Search Condition', 'My Search Condition' (listing 'Maid staff', 'Department Resumes', 'Pinned Maid staff', and 'Maid staff'), 'Matching conditions for Requests 1', 'Sort Order' (set to 'Date Updated (Desc)'), and 'Process' (with 'No End Flag' selected). The main area is titled 'Primary Search Item' and includes a 'Keyword' field set to 'Contains All (AND)', a 'Keyword Search Mode' with 'All' selected, and 'Pinned' and 'Duplicate' checkboxes. Below this is the 'Basic Information' section with fields for 'Maid name' (ID selected), 'Maid PIC', 'Date of Birth' (Greater than/Less than), 'Gender' (Contains Any (OR) with Male, Female, and Unknown options), 'Phase' (Contains Any (OR) with Entry, Open/Ready to work, Success, Close/Returning country, and Close/Other reason options), and 'Marital Status' (Contains Any (OR) with Single, Married, Widowed, Divorced, Separated, Single Parent, and Not Important options). A 'Search' button is at the top right, and a '+ New Saved Search' link is at the bottom.

To the right is a 'Quick preview' window showing 'Requests Details'. It includes 'Basic Information' (Employer name: Sato, Employer contact: Toshiko Sato, Position: Helper for Mr. Sato, Phase: Urgent Search, Phase Date: 2022/02/21 09:19, Phase Memo, PIC: Sato Toshiko) and 'Request Preference' (Lower Age Limit: 20, Marital Status: Single, Nationality, Work style: Live-in, Nearest Station, Remarks: Need to care for older person., Higher Age Limit: 35).
